HTML5/CSS3 | ReactJS | Javascript | jQuery | NodeJS | ExpressJS | Git | Kanban and Agile Experience | Project planning | Wireframing/Prototype | User Journey Mapping | Team code reviews | System demos/testing | APIs | SQL

EXPERIENCE

Schmidt Futures, Remote – Full Stack Software Engineer Intern

JUNE 2022 - AUG 2022

- Implemented various modern frameworks and libraries such as Bootstrap, React, and NextUI to expedite development and improve efficiency.
- Created Minimum Viable Product (MVP) for kanban team in 4 iterations using wireframes, user stories, and rigorous testing.
- Participated in daily stand-ups and sprint planning meetings with team to deliver quality product on time.
- Obtained hands-on experience with modern web technologies and libraries, as well as testing and deployment in back-end and front-end.
- Contributed to the development of team processes, including stand-ups and team bonding games, to improve team dynamics and promote a positive work environment.

Moving Mountains Tutoring and Mentoring LLC, Miramar FL – Web App Developer Intern

JUNE 2021 - NOV 2021

- Collaborated with a 3-member team to develop and update a Wordpress site using PHP and CSS
- Demonstrated proficiency in UI design tools for planning such as Figma and Photoshop to create wireframes, prototypes, and other design assets.

- Presented UI designs and prototypes to team lead and gathered feedback to incorporate into the design process, resulting in improved product quality.
- Leveraged best practices and standards in UI design and development, including accessibility, usability, and performance optimization, to develop new web pages and functioning site components like custom forms

Rifle Paper Co., Maitland FL – Fulfillment Specialist

AUG 2018 - SEPT 2019

- Maintain a clean and organized workspace to ensuring minimal waste while continually working to maintain and increase personal efficiency standards
- Review products for quality and conduct occasional supply audits
- Verify quantity, weight, and conformance of materials to stated identifications
- Checked outbound orders for accuracy and completeness, such as matching shipping label with invoice number

EnAsia, Remote – Web Developer/Graphic Designer

SEPT 2014 - FEB 2016

- Successfully executed the rebranding of a forum including its website design, logo, typography in 6 months on a 3 person team
- Collaborated with cross-functional teams of designers, developers, and marketing to conceptualize, design, and implement UI solutions that meet business and user needs.
- Efficiently implemented site changes by managing 200+ plugin files and style sheets
- Demonstrated proficiency in HTML, CSS, JavaScript, and other web development technologies to create visually appealing and user-friendly interfaces.
